We serve our customers in a friendly, family atmosphere and always maintain the highest quality of service.

DiMille's has also made an impact in San Diego with its' catering service. DiMille's offers a wide variety of foods and services for homes, Corporate events, offices, weddings and banquets. Our foods range from Baked Pasta Tray specialties, Chicken Marsala Dinners, Fresh Salads, Sandwich Trays and of course, our famous pizzas. No matter what the occasion, DiMille's has the right foods, great pricing and the best service to make it a huge success.

## DiMille's Family History

We opened for business in October of 1978 under the direction and guidance of Mamma and Papa DiMille. The recipes for all the menu items were developed by Mamma DiMille which included the same recipes she had learned from her mother and grandmother, and had been cooking for her own family for years. During this time, her sons were active as cooks, waiters, dishwashers, and handymen. It was also during this time that Papa DiMille taught the boys how to run the restaurant business.

It was around the mid 1980's when Mamma and Papa DiMille decided to step down and turn control of the business operations over to their sons. Since that time, DiMille's has gone through major remodels to meet the demand of its' customers. The addition of the bar and patio in 1989 were made to offer a new and exciting outdoor dining experience and an ideal facility for large banquets.

Today, the brothers are fully active in all areas of the restaurant, and they take pride in training every employee to the same DiMille's family standard of excellence.

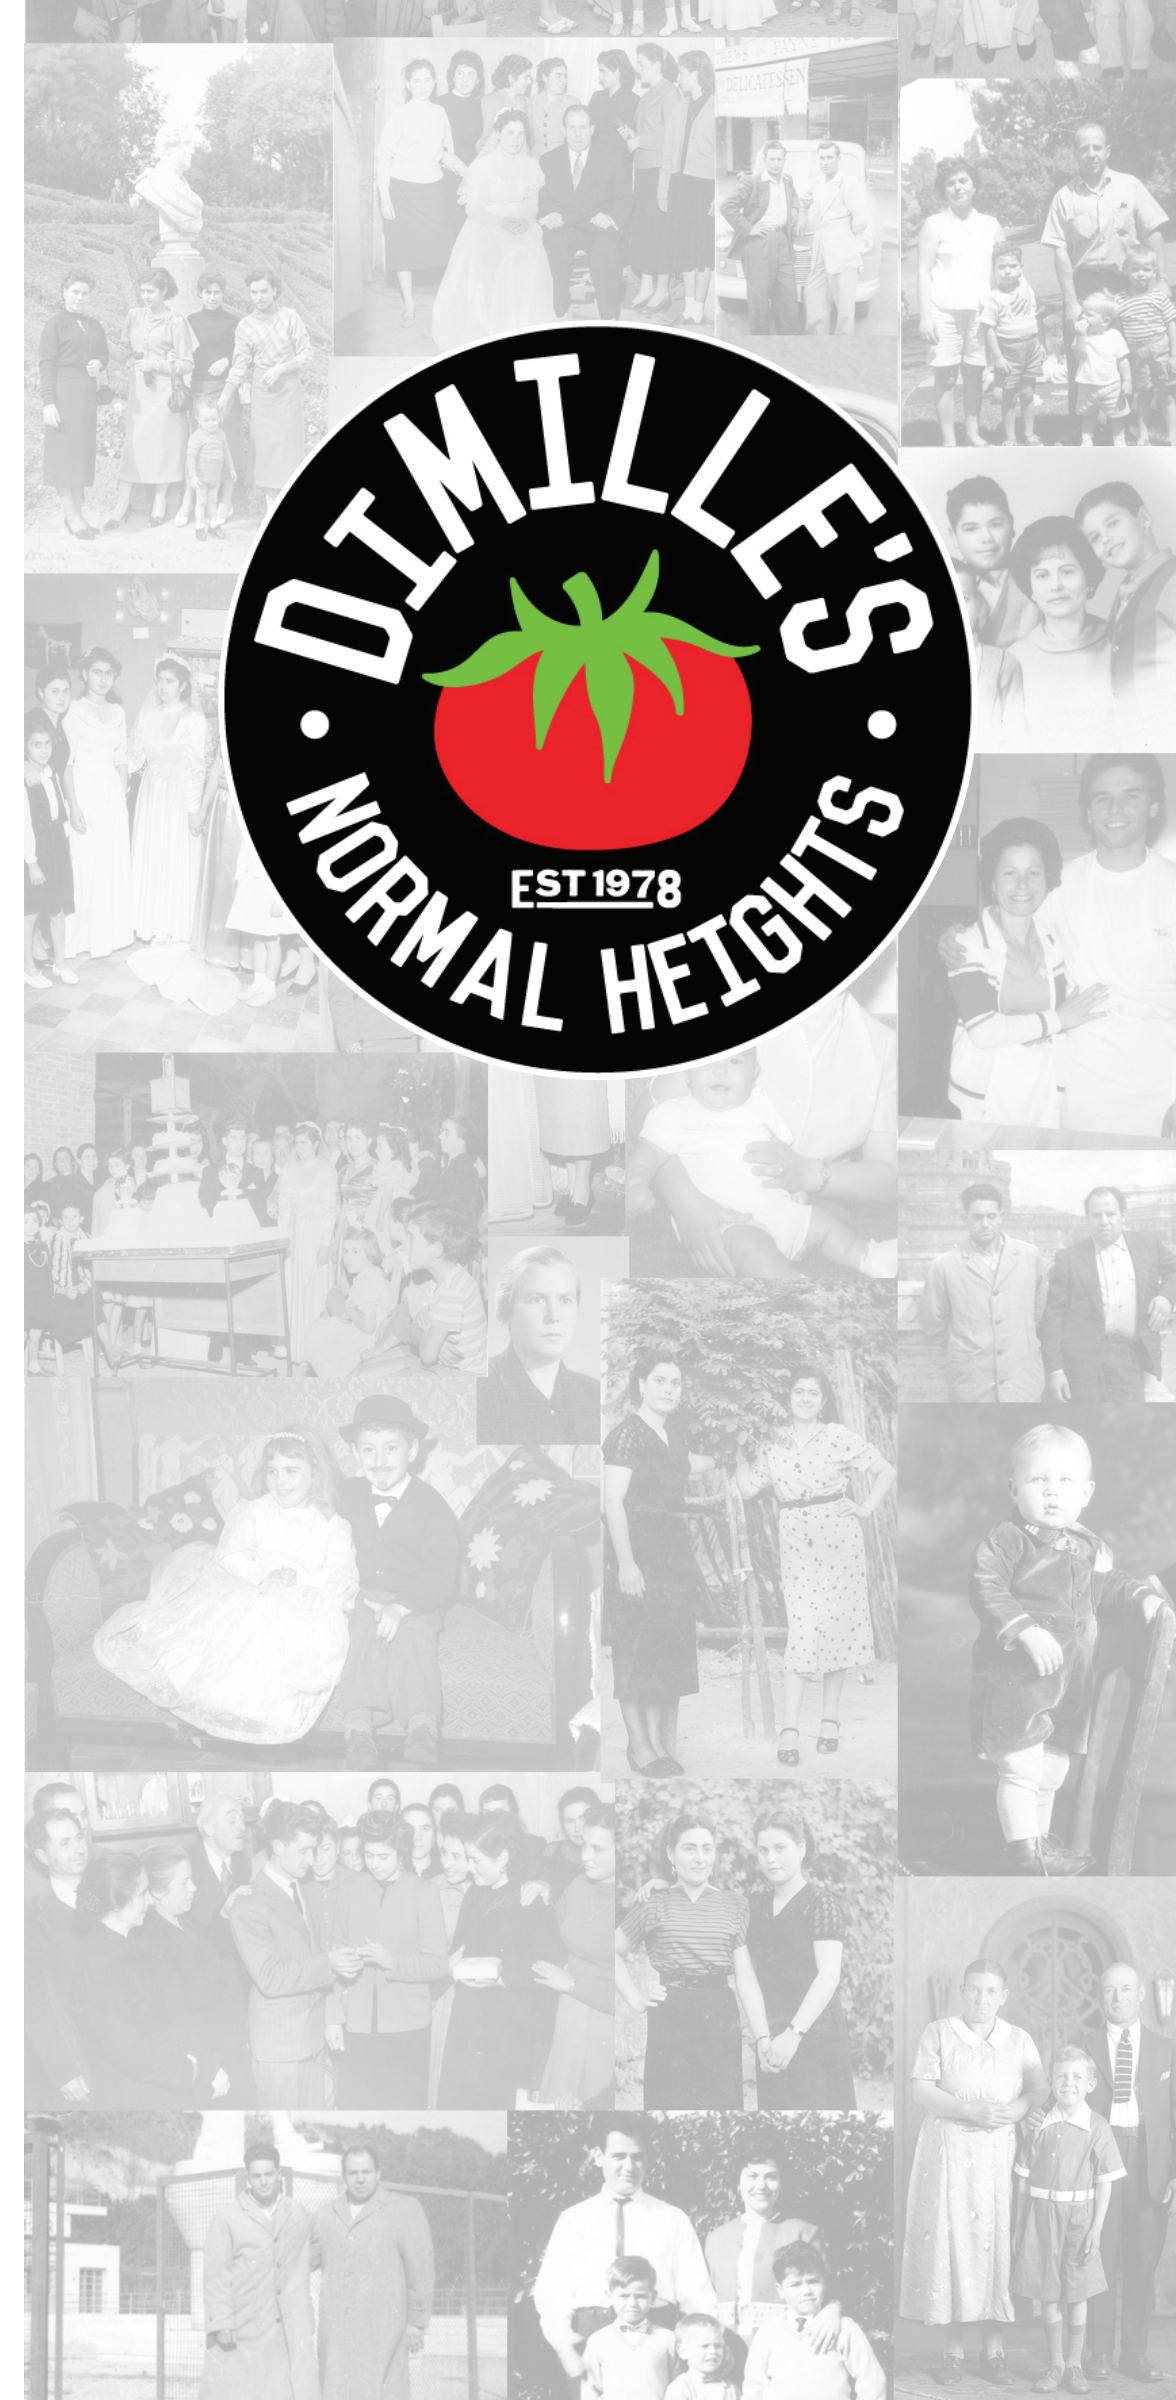

At DiMille's we realize that you as our guest have everything to do with our success. After all, it was our family that made the restaurant, but it was you as our guests who have made us famous! We hope you have a great dining experience and come back to visit us again and again.

As Mamma would say, "Mangia, Mangia".

We love you San Diego!
